

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1. (Original) A cargo bucket system comprising:
a frame hingedly attached to the rear corner posts of a vehicle;
a cargo bucket pivotally attached to said frame;
a locking mechanism for securing said frame in an upright position to said rear corner posts; and,
a handle for pivoting said cargo bucket.
2. (Original) The cargo bucket system of claim 1 further comprising:
a pivot bolt attaching said cargo bucket to said frame; and
spacers between said frame and said cargo bucket.
3. (Original) The cargo bucket system of claim 2 wherein said spacers include ball bearings.
4. (Original) The cargo bucket system of claim 2 wherein said handle includes a bucket lock mechanism for locking said cargo bucket in various positions.
5. (Original) The cargo bucket system of claim 4 wherein said spacers include gears for reducing the amount of force required to pivot said cargo bucket.
6. (Currently Amended) A The cargo bucket system of claim 2 wherein said frame is adjustable. comprising:

~~an adjustable frame hingedly attached to the rear corner posts of a vehicle wherein the width of said adjustable frame may be varied;~~
~~a cargo bucket pivotally attached to said frame;~~
~~a locking mechanism for securing said adjustable frame in an upright position to said rear corner posts;~~
~~a handle for pivoting said cargo bucket wherein said handle includes a bucket lock mechanism for locking said cargo bucket in various positions;~~
~~a pivot bolt attaching said cargo bucket to said frame; and~~
~~spacers between said frame and said cargo bucket.~~

7. (Original) The cargo bucket system of claim 6 wherein said adjustable frame includes a right bar, a left bar, and an adjusting rod.

8. (Original) The cargo bucket system of claim 6 further including a load support bracket for supporting said cargo bucket.

9. (Original) The cargo bucket system of claim 8 wherein said load support bracket is detachable.

10. (Original) The cargo bucket system of claim 6 wherein said spacers include gears for reducing the amount of force required to pivot said cargo bucket.

11-20. (Cancelled)
